## MEN'S FURNISHINGS

Come here tomorrow expecting to see all the newest things in smart haberdashery—we've provided for every want.

Correctly styled Shirts, Neckwear, Hosiery, Underwear, etc. Value is the Key-note.

## LINKS ARE STRONG

Dwyer Pleased With Showing Made by Team.

Thomas Has Enough Responsibility to Make Him Work.

GET LOCAL GROUNDS READY

Isbell Nearly Killed by Thomas at Genda Springs.

C. K. League Strongest Kansas Baseball Organization.

Dwyer is particularly well pleased with his pitching staff. He thinks the flingers on the Lope staff will work their way into the top notch class during the coming pennant race. Dwyer, by the way, is enthusiastic over training in Kansas. At Sycamore Springs his athletes have enjoyed two strenuous workouts daily and are rapidly getting into shape. Our former Z. Z. Hagerman and Parson, Parthing are said to be showing up especially well. Potest, the Falls City lad, is causing the manager to throw spasms of joy. He looks to be the class behind the plate, according to camp reports and Krueger's absence may not be so noticeable as was feared. Bill doesn't feel any anxiety over his outfield and at this distance it does not appear he should. McCormick, Cole and Cobb should prove a cure for the blues. Dwyer's progress have an argument with J. J. Callahan's squad at Lincoln tomorrow.

The Kaws play the strong college team at Georgetown today and tomorrow play Waco. There will be a continuation of the argument Sunday. Wainwright, the college pitcher of whom Gear thinks so well will join Wikid's insurgents Saturday. Gear believes Wainwright has the class required for O'Neill's circuit.

Perhaps there are one or two other players on the Austin team which Gear should have drafted.

The diamond at Kaw park was rolled yesterday afternoon and the work will be continued today. The workmen have taken advantage of the good weather offered by them after so long a time and a continuation of it will insure the ground being in shape by

next week when the team returns. The fans will hardly know the old park this year, so great is the change that has been and is being made.

It is said that Thomas, first sacker for the Des Moines club needs responsibility to make him work. Isbell has appointed him captain of the club. This should be enough to make anyone work.

According to a dope story from Wichita Isbell had a close call when a shotgun which Jack Thomas carried was accidentally discharged. The charge narrowly missed Isbell's face and covered him with plastering which it tore from the wall nearby.

Nevitt, the Indian pitcher, was one of the first recruits to test the edge of Isbell's ax. Cy Lamborn was also let out.

It's too bad there are not eight clubs in the Central Kansas League this year. An eight club league is better. But there is this comfort for the C. K. L. fans. Baseball is not an experiment in any of the towns on the Gafford circuit. Every one of them has withstood the acid test. When the C. K. L. was started four years ago by a bunch of fans who met in the office of George Hall in Salina it wasn't a very pretentious affair, but the league finished out the season, though not without difficulty. You couldn't buy a franchise in it for love nor money that season. Next year the scene was changed. An eight club circuit started. There was more difficulty. But the league kept pegging along. And it has unto the present day. Last summer the State League, formerly the more pretentious of the two, died and the three best towns in it were absorbed by the C. K. circuit which dropped the towns in which it was difficult to keep the game going. Baseball in Central Kansas is now on a solid basis. The men interested in the pastime should guard against undertaking too much. The towns that did not take this precaution are without league baseball now. A 90 game schedule, such as is provided this year, with six good towns, means plenty of baseball. A proper regard for the salary limit means baseball in the future whereas plunging may mean failure later. The men who have worked hard for baseball in central Kansas should take some profit for their labors this year. And that section of the state contains more 33d degree fans than any other spot on earth.

Now Let the Eagle Stream. Wichita Eagle: Paul Cobb has joined the Lincoln Antelopes, after making a big stir about finding someone to buy his release. Don Despain claims he expects to sell Cobb to a big league club this fall and so held him

at \$1,500 waiver price. Down here we'd hate to offer him even the Western League waiver price for this "Little Brother of the Great."

Lincoln News: No danger that Wichita will make an offer for the Georgia Kid and not the slightest possibility that one would be accepted. Besides, a pastime of Paul's ability and promise would be out of place alongside such has been as Grandpa Ira Belden and Uncle Ned Pettigrew.

Lincoln Star: Gear's Topeka club played Austin a ten inning 2 to 2 tie Saturday and lost 7 to 5 Sunday. Austin has been showing up well against the major league teams so that the defeats do not establish the Kaws as anything below the rank of a Class A club.

The Denver Post says that if the Western League adopts a salary limit it will be well for the other magnates to keep their lamps on Pa Kourik and his policy. "All things being equal in the matter of money considerations to the players, we must dip our lids to the Omaha magnate," says the Post. "He can dig up more youngsters and develop them than any other magnate opposed to him. When we go over a list of players the league it is surprising." Pa sure has the faculty of developing the kids. But, by the way, Jack Holland isn't hitting poor in that league himself.

St. Joseph News-Press: If the Topeka club goes into the race with as much pep as its manager, Dale Gear, the Kaws will be showing someone their heels.

When Jack Thomas takes his place at first base for Des Moines on April 19, he will open his eleventh successive season in the Western League. He must now be given the veteran honor for the organization formerly held by Horelver and "Pop" Gondering before their retirement. Thomas never went to the "big show" and he never played professional baseball outside of the Western League. In 1901, he broke in with Omaha and remained with O'Rourke for four years, going from there to Lincoln where he spent the next six years, coming to Isbell in a trade for "Bill" Dwyer, who will hold the whip over the "Links" this season.

Hawatha, Kan., has been taken into membership by the reorganized Mink League and the circuit is complete, comprising the following towns: Falls City, Humboldt, Auburn, Nebraska City, Beatrice and Hawatha. The fans at Plattsmouth were figuring on applying, but dropped out in favor of Hawatha.

## TRAINING SEASON RESULTS.

Wichita, Kan., April 5.—The first squad of the Chicago White Sox defeated the Wichita team here by a score of 13 to 5. The game was played in a gale of wind and this and the loose sand of new diamonds made hitting decidedly free. The game was called at the end of the eighth by consent. Score: R H E Chicago.....04003051—13 15 3 Wichita.....00110300—5 10 2 Batteries—Peters, Delhi and Kuhn; Jackson, Ellis, Hersche and Clemmons.

New Orleans, La., April 5.—The New Orleans Southern League team defeated the second team of the Cleveland Americans 2 to 1 here.

Joplin, Mo., April 5.—The White Sox second division team took another game from the Omaha Western League team here. The Chicago club left for St. Joseph, Mo., for a series of games. Score: R H E Chicago.....11115 3 Omaha.....2 5 5 Batteries—Rogee and Carney; Hall, Lotz and Arbogast, Campfield. Washington, April 5.—Through brilliant pitching, the Washington

Americans defeated the Boston Nationals here, 5 to 1.

Score: R H E Washington.....5 6 1 Boston.....1 3 1 Batteries—Cashion, Hughes and Henry; Donnelly, Brown and Kling. Terre Haute, Ind., April 5.—The Chicago National league team defeated the Terre Haute Central League team 7 to 3.

Philadelphia, April 5.—Cold weather again prevented the American and National League baseball clubs from playing. The series stands two victories to one in favor of the Nationals.

Norfolk, Va., April 5.—New York Americans, 7; Norfolk, Virginia, League, 2.

Chattanooga, Tenn., April 5.—The Detroit Americans defeated Chattanooga, Southern League, 12 to 5. Moroney and Works pitched for Detroit. Ty Cobb got four hits, including three triples, and stole second, third and home in one inning.

St. Louis, Mo., April 5.—The Nationals won from the Americans, score 7 to 6, and evened up the inter-league series. Three runs behind when they went to bat in the ninth inning, the National rallied and scored four runs on a double, two singles, three stolen bases and two bases on balls. The Americans stole eight bases. Score: R H E Nationals.....7 9 1 Americans.....6 11 2 Batteries—Harron, Loudmilk, Woodburn and Bresnahan; Hamilton and Stephens. Umpires—Egan and Johnstone.

Mobile, Ala., April 5.—The Mobile Southern League team defeated the second team of the Philadelphia Americans 4 to 0. Cy Morgan and Shulkey pitched for Philadelphia.

Baltimore, Md., April 5.—The New York Nationals defeated the Balti-

more International League team 10 to 3. Score: R H E New York.....10 15 2 Baltimore.....3 7 4 Batteries—Mathewson, Maxwell and Myers; Vickers, Frock and Payne.

## SICKNESS HITS KAWS.

Lee Is Out of Game—Win From Texas School.

Georgetown, Tex., April 5.—Sickness has hit the Kaw squad. Lee is out of the game and Kling was drawn in from the outfield to play short. It is believed the clever shortstopper will soon be able to get into the game again. The Kaws won their game with the Southwestern University Thursday by a score of 7 to 3. The team seemed tired out and played wobbly baseball. They gathered five errors while they were accumulating nine hits and seven runs. Texas made one more error than bass hits.

## YANNIGANS BEAT CORSCIANA.

Second Division Hits Opportunely, Winning 5 to 3.

Corsicana, Tex., April 5.—Wikid's Yannigans found their batting eyes in time to win today although they were out hit. The bingles however, came opportunely and the score was 5 to 3. Chapman is playing third and Howell a pitcher, first. Kusel and Alderman did the twirling. Peters did the back-stopping.

## AGGIES BEAT TIGERS AGAIN.

Slow Game Played in Wind Before Good Crowd.

Manhattan, Kan., April 5.—A long dragging game was played between the Aggies and the Missouri Tigers, resulting in a score of 15 to 6 in favor of the Farmers. A high wind was responsible for much poor ball. A catch by Dresser in left field was the only sensation. Score: R H E Tigers.....300000003—6 7 8 Aggies.....400201071—15 9 2 Batteries—Hamilton and Hall for Tigers; Bailey, Elkins and Billings for Aggies. Umpire—Ahearn. Attendance—800.

## FAIRMOUNT REVERSES SCORE.

Wins From Bethany by Same Score Swedes Won First Game.

Lindsborg, Kan., April 5.—The Wichita collegians registered a victory over the Swedes by a score of 11 to 1, the score of Wednesday reversed. Mueller's players couldn't hit in the pinches and their bingles were scattered. Fairmount's outfield apparently was stronger than Bethany's. Bunched hits in the first gave the visitors the game. Nicholson and Olson of Bethany featured in stick work. Fairmount is credited with 13 hits, Bethany with 2.

Score by innings: R H E Fairmount.....200050211—11 13 2 Bethany.....000100000—1 2 3 Batteries—Bethany—Lindstrom and Jenick; Fairmount—Bishop and Wright. Umpire—Thornberg.

## BETHANY DEFEATS FAIRMOUNT.

Terrible Swedes Take Opening Game of Season Easily.

Lindsborg, Kan., April 5.—Bethany's terrible Swedes played their opening game of the college baseball season here, with Fairmount college, winning 11 to 1. Both teams played in midseason fielding form and the grounds and weather were ideal. Although Fairmount's fielding was loose, the work of Shanstrom was one of the features of the game. Nichols' pitching and Tilberg's batting showed up

conspicuously for Bethany, the former striking out 11 men.

Score: R H E Bethany.....03000532—11 13 2 Fairmount.....000000010—1 4 9 Batteries—Bethany, Nichols and Janick; Fairmount, Eliza, Grafton and Wright. Umpire—Hennon.

## NOW HE'LL FIGHT ANYONE.

Wolgaat Pines for Battle on July Date.

San Francisco, April 5.—Ad Wolgaat, champion lightweight, has so far recovered his strength that he announced here that he will be ready on July 4 to take on any challenger for the title of a 20-round champion.

"I believe I shall be fit to take on anybody who presents himself," said Wolgaat. "I'll even give Packey McFarland a couple of pounds advantage in weight."

Wolgaat will leave for Los Angeles tomorrow night with Tom Jones, his manager. He said last night that he is still willing to fight Joe Rivers, the Mexican, if the money can be divided to his satisfaction.

## FOUR DOG TEAMS ARE OFF.

Johnson Is Not in Race for First Time in Years.

Nome, Alaska, April 5.—Four teams got away in the all-Alaska sweepstakes, the famous dog race of the north. The course is from Nome to Candie and return, a distance of 412 miles, and the purse is \$5,000. The record is held by John Johnson, who drove the distance in 74 hours, 14 minutes and 14 seconds. This is the first time

in years that Johnson has not driven the Siberian wolves and he would be driving if he had not been left stranded on the Siberian coast last fall when the arctic ice moved down and drove his schooner back to Nome before it could pick him up.

The trail is in good condition, the weather perfect and followers of the race are hopeful that Johnson's record will be lowered.

Last year's race was won by "Scotty" Allen, who finished in 81 hours and 40 minutes.

## REAL TAILOR SERVICE

Now Within Reach of Every Man

There was a time when man's sense of economy dictated that he buy ready made clothes (cold storage clothes we call them.) Now that time is past. There's no need of your wearing a poor imitation of the tailor's art. Why? Our system gratifies that secret desire of most every man—that is to wear garments whose very cut bespeaks his tailor's skill. You'll find it worth your while even to see the great array of new woollens—pure wool and shrink proof.

## S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens the system, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals, in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.
